

K-5th Bingo Board Guide

While this Bingo Board is customizable to you, follow the below points of consideration to help get the conversation started. Use the help of friends, family, professionals, the internet or books to learn more!

- **Write down the difference between a want and a need.**
Consider:
 - ✓ What can you not live without?
 - ✓ What items do you use on a daily basis?
- **Draw a picture of something you want to buy.**
Consider:
 - ✓ Why do you want this item?
 - ✓ How would it make your life better?
 - ✓ What size is it? What color?
 - ✓ How much do you think it costs?
 - ✓ Can you afford this?
- **Learn how to write a check.**
Consider:
 - ✓ What information has to be included on a check?
 - ✓ What is a memo?
 - ✓ How do you format the dollar amount? How do you format the cents?
- **Make a list of items you can buy at the grocery store with \$7.50.**
Consider:
 - ✓ How much does a candy bar cost?
 - ✓ What is your favorite fruit? How much does it cost?
 - ✓ Is there sales tax?
- **Count the change in your piggy bank.**
Consider:
 - ✓ What is the total amount?
 - ✓ How many pennies are there? Nickels? Dimes? Quarters?
 - ✓ What could you buy with this change?
- **Make a list of what you would save for with an allowance.**
Consider:
 - ✓ What do you want?
 - ✓ What do you need?
 - ✓ Will you be able to save for these items in a short amount of time?
- **Tell a family member or friend what you want for your birthday.**
Consider:
 - ✓ Why do you want this?
 - ✓ How much do you think it costs?
 - ✓ How will the person gifting it pay for it?
- **Write a list of 5 wants.**
Consider:
 - ✓ Why is this a want and not a need?

- ✓ What will you do with it?
- **List 10 goods in your home.**
 - Consider:
 - ✓ What is a good?
 - ✓ How does this differ from a service?
 - ✓ Can you categorize the goods by which room they belong in?
- **Look up the cost of an iPad.**
 - Consider:
 - ✓ Is an iPad expensive?
 - ✓ Could you afford one right now with the money in your piggy bank?
- **Discuss with a friend what it means for an item to be on sale.**
 - Consider:
 - ✓ Is it cheaper? More expensive? The same amount?
 - ✓ How do you calculate the amount you will pay?
- **Write down 3 ways you can earn money right now.**
 - Consider:
 - ✓ Allowances
 - ✓ Chores
 - ✓ Help from family
- **You have \$10. Draw what you would buy.**
 - Consider:
 - ✓ Is \$10.00 a lot of money?
- **Cut out 3 coupons in your local paper.**
 - Consider:
 - ✓ How much can you save with the coupons?
 - ✓ Which stores have the best deals?
 - ✓ What items are currently on sale?
- **Create a Venn diagram comparing goods and services.**
 - Consider:
 - ✓ In the last month, what goods have you enjoyed? Which services?
 - ✓ Did both cost money?
- **Plan a summer lemonade stand.**
 - Consider:
 - ✓ What materials will you need? How much will they cost?
 - ✓ How much will you charge for a glass of lemonade?
- **Tell an adult what you want to be when you grow up.**
 - Consider:
 - ✓ What kind of education or training do you need? How much will that cost?
 - ✓ What is the average salary of your dream job?
- **Write down all of the choices you made today.**
 - Consider:
 - ✓ What did you eat for breakfast, lunch or dinner?
 - ✓ What did you wear today?
 - ✓ Did you play any games?

- **Separate your \$ into spending, saving and donating.**
Consider:
 - ✓ What do these terms mean?
 - ✓ How is donating different from spending?
 - ✓ How much should you put towards each?
- **Ask a family member what they do for work.**
Consider:
 - ✓ What do they do on a daily basis?
 - ✓ What are their hours?
 - ✓ Where do they go?
- **Draw a picture of where money comes from.**
Consider:
 - ✓ Does money grow on trees?
 - ✓ Which federal department is responsible for money?
 - ✓ How do you earn money?
- **List 3 things a guardian spent \$ on this week.**
Consider:
 - ✓ Is your pantry full of your favorite snacks?
 - ✓ Did you stop at a gas station?
 - ✓ Have you gone out to eat?
- **Ask a parent about opening a savings account.**
Consider:
 - ✓ Is this a possibility?
 - ✓ Who would help manage the account?
 - ✓ What can a savings account be used for?
- **List 3 expenses an adult has.**
Consider:
 - ✓ What costs money?
 - ✓ What is free?
